The Court has received the Revised Presentence Investigation Report and Addendum ("PSR"). The government has not objected to the PSR. The Defendant filed "Defendant's Position Statement Re: Revised Presentence Investigation Report" (Filing No. 45) representing that the PSR reflects the objections and contentions of the Defendant, and that those objections and contentions are listed in the Addendum to the PSR. required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

4. Absent submission of the information required by paragraph 3 of this Order, these tentative findings are final;

5. The Defendant's Motion for Variance (Filing No. 46) will be heard at sentencing; and

6. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.
